Example here is “Bank Of Dad 1”

Dashboard

This dashboard gives you various data such as

- Total audits (collections undertaken)
- Last audit (last collection)
- Total value of **“Carbon Saved From Total Loss”** in KG C02
- **“Carbon Saved From Total Loss”** in last audit/ last collection
- Total **“Carbon Saved From Total Loss”** this current year
- Total items collected and processed in the current year
- Total items collected and processed in all years

Audits list

This is a full list of all audits input into the system. Giving date of collection, Client Name, Location of collection, total number of items collected and **“Total Carbon Saved From Total Loss”** for this collection. You can also download the PDF collection authorisation note from the Audit list.

The Audit List table contains the following data:

Collection Date	Client	Location	Total Entries	Total Carbon Saved	Download PDF
2025-Apr-04	Bank Of Dad 1	4 BOD 4 April 2025 Test Upload	25	12 kg	
2024-Mar-03	Bank Of Dad 1	3 Test March 3 2024	25	25 kg	
2023-Feb-02	Bank Of Dad 1	Test Upload feb 2 2023	25	25 kg	Authorisation Notice
2022-Jan-01	Bank Of Dad 1	1st January 2023 Test Upload 25 Catrbon	25	25 kg	Authorisation Notice

Individual audits , example

Collection Date	Client	Location	Total Entries	Total Carbon Saved
2025-Apr-04	Bank Of Dad 1	4 BOD 4 April 2025 Test Upload	25	12 kg

If you select an audit date this takes you to the audit reports and item list with 4 selectable tabs on the top.

These will all be downloadable for each specific collection.

DASHBOARD (functions)

The dashboard header includes a hamburger menu, the text "Bank Of Dad 1", a search bar with "Search..." text, and a user greeting "Hi, ST four". The main content area features three cards: "Total ITHSCI Audits" with a value of 4, "Last Audit Uploaded On" with a date of 09-05-2025, and a "Carbon Certificate Download" section. The download section includes a "Choose a date range" label, a date picker input field with "Start date - End date" text, and a "Download" button.

Search for a device processed by ITHSCI using either

- Serial number
- Asset Tag
- Make, Model or device type

“Carbon Saved From Total Loss” certificate can be downloaded in any date specific format. In this example with a date range 1/1/2024 to 31/12/2024

This is an identical screenshot of the dashboard shown above, displaying the same metrics and download options.

Example, Carbon certificate: -
